THE LEARNING CENTER

SHARING OUR GIFTS

Dear TLC Friend,

The Learning Center is an adult education center that serves the North Lawndale and Little Village neighborhoods in Chicago. We offer free Adult Basic Education, High School Equivalency, English as a Second Language, and Computer Literacy classes through a partnership with Malcolm X College. We also provide support services through the Saint Anthony Community Wellness Program, Growing Towards a Promising Future Mentoring Program, and a Health Literacy Project. These programs offer a holistic approach to our education model and give our students the opportunity to rise from their circumstances. Our mission is to support adults in their pursuit of an educational path to more confident and effective living.

The need in the communities we serve is great. For over 34 years, The Learning Center has relied on the strengths of our committed, active, and diverse Board of Directors and our loyal supporters. It takes many people and many shared resources to serve our students.

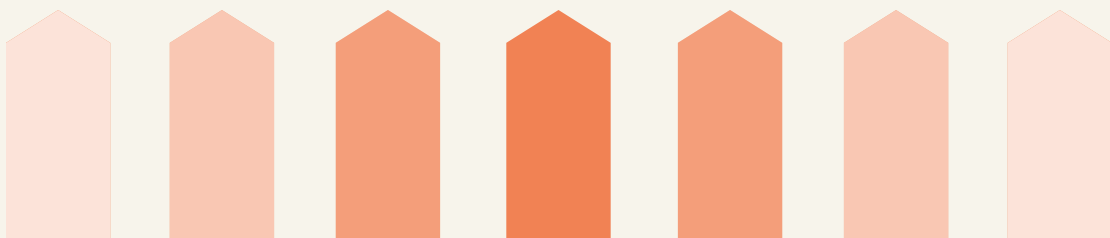

Our annual fundraiser “Sharing Our Gifts” will be held on **Sunday, April 22, 2018 from 3 PM to 6 PM** at the Nineteenth Century Club in Oak Park. We are seeking corporate or individual sponsors for this event. We are hoping that you will support our mission by committing to a sponsorship gift. All sponsors, at any level, will be recognized in our program.

This year we will honor **Becky Raymond, Executive Director of the Chicago Citywide Literacy Coalition**, for her leadership in adult literacy and commitment to improving the lives of adult learners through training and education. If you would like to honor Becky Raymond for her great accomplishments, please consider placing a congratulatory ad in our program book.

We appreciate your consideration of this request. For more information, please contact our Executive Director, Angie Saucedo at 773-277-3111 or asaucedo@tlcchicago.org. We are most grateful for your support.

Sincerely,

Board of Directors
The Learning Center
A 501 (c) (3) Organization
